Cyber awareness 2-1

Phishing is when people try to steal your information by pretending to be someone or something else. For this assignment you will be looking at images to tell if they are legitimate.

For this exercise pretend that your name is Bob and that your teacher's name is Alice. Your school is named Eve Elementary

Hi, Bob

Your mom sent me an email saying you would be missing class for the next few days because you are sick. I'm sorry to hear that. Below I included an attachment for all of the course material you will be missing. I hope you feel better soon!
